Techmeme

February 15th, 2019 - Sources Apple plans an April or May launch date for its video streaming service but Netflix won't participate and HBO hasn't committed " Apple is targeting April to debut a new streaming product that will include original content free for Apple device owners and a platform to subscribe to other digital media services

Mary Midgley Wikipedia

February 14th, 2019 - A new and vigorous Classics teacher offered to teach a few of us Greek and that too was somehow slotted into our timetables We loved this and worked madly at it which meant that with considerable efforts on all sides it was just possible for us to go to college on Classics " |
